Dividend rates fluctuate depending on market conditions and are subject to change at any time. Early withdrawal penalties apply to Certificates and IRA Certificates. A term of one year or less is penalized 31 days of dividends. A term of over one year is penalized 90 days dividends. Application of this penalty may result in forfeiture of some principal as well as dividends. Accounts are insured up to \$250,000 by NCUA. IRA Accounts are insured separately up to \$250,000 by NCUA.

CD Accounts will automatically renew for the same like term at the interest rate in effect on the maturity date. A renewal notice will be sent to you at least 20 days prior to maturity. You will have a grace period of 10 calendar days after the maturity date to select a different term or withdraw the funds without being charged an early withdrawal penalty.
