By signing above, you authorize North Coast Credit Union to extend your final loan payment and you understand that: Interest will continue to accrue on your loan during the month you skip your payment. This will result in you having to pay higher total finance charges than if you made your payment as originally scheduled. If you elected GAP or Warranty Coverage, the coverage will not be extended beyond the original maturity date. If you have an automatic payment scheduled, you will need to make arrangements to cancel it prior to its arrival. This can take a number of days depending on where your payment is coming from. You authorize North Coast Credit Union to update your contact information.

Offer valid through January 2023. Loans are approved based on qualifications and collateral conditions.
